PCB 2026 COMPUTERISED CALCULATION VERIFICATION

QUESTION 1-5 ARTIFACT PACKAGE

Environment: LOCAL certification

Calculation authority: PCB 2026 P2 certified results

HASiL submission: NO

HASiL approval: PENDING

Production touched: NO

Package status: PARTIAL

Reason: governed P3A mapping is ready, but applicant/employer and Employee A-D statutory identities are not supplied. The retained HASiL passport country-code list is also absent. CP39 and final PCB 2(II) were not fabricated.

All generated calculation details and payslips reconcile to P2 with RM0.00 difference.
